About KSRCAS

K.S. Rangasamy College of Arts and Science is a NAAC Reaccredited, Autonomous institution, established in 1995 by Philanthropist Lion. Dr. K.S. Rangasamy MJF. The college is affiliated to Periyar University, Salem and it aims to impart quality enriched value based education. The College has experienced tremendous growth in the past two decades and currently it offers 15 UG and 10 PG Programmes. The College has outstanding Infrastructure creating an excellent learning atmosphere meeting the parameters of quality education with rich profile of highly qualified and dedicated faculty.

About the Department

The Department of Physics was established in the year 2003 to promote quality education in the domain of Physical Science. It offers Under Graduate and Post Graduate courses with insight into theoretical and practical aspects. The faculty members of the Department are actively involved in many advanced areas of research namely nanoscience, nonlinear dynamics, computational physics, optics, crystal growth and biomaterials. The department has an association "Einstein's Hub" for exploring the innovations of student's co-curricular skills. It becomes an effective facilitator for transferring knowledge of high quality to the students.

About NSAMR-2018

The "NSAMR - 2018" is to be conducted by Einstein's Hub, Department of Physics, KSRCAS to promote the knowledge of scientific ideas on Advanced Materials Research. This seminar will provide a platform to bring together the academicians, research scholars, students across the board discipline to gain the knowledge of recent advances in material research. The goal of this seminar is to motivate the young minds towards the higher end of the innovative materials research to meet societal benefits.
