About the College

K.S. Rangasamy College of Arts & Science (KSRCAS) is a premier autonomous institution established in the year of 1995 by the eminent Philanthropist Lion. Dr. K.S. Rangasamy MJF in Tiruchengode to provide a standard higher education to the rural and sub-urban students in Namakkal and its adjoining district. It was started as a small educational institute and has now emerged as one of the premier institutions of learning in India. The college has been included under 2(f) & 12(B) of UGC Act 1956 and re-accredited by NAAC with "A" grade. The College is known for its academic excellence and character building, providing learner-centered education with high integrity, ethics, professional and societal commitments.

About the Departments of Physics & Chemistry

The Departments of Physics & Chemistry are dedicated to providing high-quality education and research in core and applied sciences. The Physics department, established in 2003, offers B.Sc., M.Sc., and Ph.D. programs with a focus on theoretical and experimental studies, supported by advanced laboratories in areas like nanotechnology and material science. The Chemistry department, started in 2010, provides B.Sc. and M.Sc. programs with an emphasis on organic, inorganic, physical, and analytical chemistry, along with sustainable practices. Both departments engage students in research, industry collaborations, and seminars, preparing them for successful careers in science and industry.

About the workshop

This workshop is designed to provide a comprehensive understanding of Intellectual Property Rights (IPR) and the management of intellectual property for startups.

Participants will gain insights into:

- Different types of intellectual property, such as patents, trademarks, and copyrights.
- The process of filing and managing IPRs.
- Legal and regulatory frameworks surrounding IPR for startups.
- Best practices in IP management, licensing, and commercialization.

This workshop is ideal for entrepreneurs, startup founders, innovators, and students interested in understanding how intellectual property can safeguard their innovations and contribute to business success.

Session Details

Topic :

**Intellectual Property Rights :
Laws and Policy Perspectives of
India**

Dr.S.K. Balashanmugam

Asst. Professor & Head i/c
Department of Law
Central University of Tamil Nadu
Thiruvarur

Mr. A. Raja

Deputy Controller of Patent
and Design
Indian Patent Office
Chennai

Topic :

**Protecting Innovation: A Guide to
Intellectual Property Rights and
Patent Filing Procedures**

Topic :

**Innovation in Science and
Technology for Sustainable
Future**

Dr. A. Pandikumar

Senior Scientist
CSIR-Central Electro Chemical
Research Institute
Karaikudi

Mr. S. Udhaya Shanker

Deputy Controller of Patent
and Design
Indian Patent Office
Chennai

Topic :

**IPR Essentials: Understanding the
Role of Designs, Trademarks, and
Copyrights in Protecting Innovation**

Topic :

**Viksit Bharat@2047 :
Transforming India Through a
Thriving Startup Ecosystem**

Mr. P. Rajesh Kumar

Training Coordinator-CBE Zonal
MSME Technology Development
Centre (CFTI)
Chennai

Registration details

- Students/Faculty members from any streams can attend this program.
- Registration fee
UG/PG/Ph.D. students : Rs. 300/-
Faculty members : Rs. 400/-
- The registration fee includes two days refreshments, lunch, and a workshop kit.
- Accommodation will be arranged upon prior request at nominal charges.
- Payments can be made online via PhonePe, G-pay, or Paytm to 9944429261.
