

K. S. Rangasamy College of Arts and Science, Tiruchengode

Extra Curricular Activities Committee

An extracurricular activity is an activity, performed by students, that falls outside the realm of the normal curriculum of college or University education. Extracurricular activities increase positive self-development, regardless of where the activities take place. Extracurricular activities offer the students an opportunity to interact with others with similar interests and potentially build friendships outside of their usual circle. Extracurricular activities demonstrate that involvement in activities, whether it be sports, clubs, competitions or other programs, have a positive impact on the participant's life.

Objectives:

- To explore the talent of the students apart from academic ability, and also to focus on all around development of students.
- To create Personal & Social Awareness and Building Competence & Composure Under Pressure through community-based events
- To bringout creativity, cooperation, and solidarity.

Activities:

- Motivating and Training the students based on their talents.
- Encouraging the students to participate in Inter and Intra Collegiate Competitions.
- Selections may be conducted and students may be allowed to participate in various competitions and functions

Meeting Frequency:

Once in a Semester
