Global Talent Track

About Institute

Global Talent Track (GTT) is a path breaking global educational initiative and corporate training solutions company, set up by some of the best minds from the industry, academia and technology domains. GTT is funded by Intel Capital, Helion Ventures and Cisco Systems. The company was set up in 2008, with a vision to make more than 5,00,000 youth of the country employable by the end of 5 years.

Global Talent Track (GTT) has partnered with Cisco Systems and the leading Universities, Institutions and Government bodies in India to provide 'quality with scale', through programs delivered using innovative technologies and compelling content.

The venture has been established to train aspiring students on vocational skills that will help them get ready for the industry, and eliminate the gap existent in their employability quotient.

Global Talent Track has successfully rolled out its thought leadership and blended learning model in 15 states across India. The entire learning platform or job oriented training is guided by an assessment tool which assists students in choosing their career path by discovering their inherent attributes in addition to finding their domain proficiency.

GTT is working with over 900 colleges across 15 states and has plans to train more than 5,00,000 students and make them employable over the next five years.
