It's our pleasure to extend our hearty welcome to all for the evening filled with the desires, hopes and dreams all of us **here**

I am extremely honoured to present the annual report of our esteemed institution, K.S.Rangasamy College of Arts and Science in the celebration of its 28<sup>th</sup> Annual Day. This is a precious moment for us, as this function our college is successful journey through two decades in its realm of imparting quality and value based education.

At the outset, I welcome our most respected and distinguished Chairman, Shri. R. Srinivasan who has been guiding and motivating us to reach sublime heights and branch out encompassing various avenues, We feel glad to extend our invitation to our Vice Chairman Mr.K.S.Sachin, a charismatic leader whose high spirited administrative traits help us to achieve excellence in all our endeavors. We proffer our invitation to our enthusiastic executive director, Smt. Kavithaa Srinivasan, to glorify the occasion and we are happy to say that her guidance lead us every step steadfast towards perfection.

It is our honour to have the distinguished personality, Ms.Sasilaya, most dignified actress and motivational speaker. We look forward to hear your energizing and astounding speech to refresh and enlighten our students' thoughts.

On this special occasion, I am happy to extend my invitation and greetings to our beloved parents, faculty members, Administrative Staff, members of the media, distinguished invitees, alumni and the heroes of the day – my dear most students, without whom we cannot imagine this splendid celebration.

I am very proud to present the annual report before this august gathering. I take privilege to inform you that our students not only excelled in academics but also outshine in various spheres and added more pearls and diamonds to the crown of KSRCAS. The academic year 2022 – 2023 has brought many accomplishments and also made us to shine much brighter in all our endeavors.

### **HISTORY OF KSRCAS**

The seed of KSRCAS was sown in 1995 with 4 UG programmes comprising 72 students and 09 faculty members. After successfully completion of two decades and couple of years, the College has spread its branches in various disciplines because of the untiring efforts and effective management of our leaders. Currently we offer 19 UG programmes and 11 PG programmes with 07 research departments. The Students' strength has grown up to 3854 with 199 highly dedicated teaching fraternity.

The College is certified with ISO 9001:2008 and also included under 2(f) and 12B of UGC Act, 1956. We are indeed proud to say that, among the self financing colleges of Periyar University, our college is the first college to get autonomous status from UGC in 2009. The UGC committee on Autonomous Extension visited the college in March 2016 and we are glad to inform you that the committee has strongly recommended for extension of autonomy upto 2021. - Equal Opportunity Cell was established for the welfare of the socially deprived students by conducting various programs to improve their academic standards.
- Association for Computing Machinery (ACM) – Women Students Chapter was established to develop the computer skills of women students.
- ICT plays a vital role in the pedagogy of 21<sup>st</sup> century. Our college has established an exclusive Software Development Wing to design software based on our needs and SDW manages the college website and intranet. I congratulate the Software

Development Wing of KSRCAS for developing AIMS – Attendance and Internal Management System, a software to systemize the calculation of attendance and internal marks.

The college has excelled in all the fields of education and also in sports, NCC, NSS, YRC, RRC, cultural & co- curricular activities thereby embodying complete growth and empowerment of the student community. It aspires to produce employable graduates with a blend of intelligence and humaneness to render constructive service in and across the country.

At this juncture, I feel blessed to extend my immense gratitude to the Management, all the Academicians and Alumni, for extending their staunch support in all activities that led to the growth of our College.

My sincere thanks go to each and every faculty member. I value deeply the investment of time and effort in every aspect of your jobs on campus and recognize that our strength as institution is due in very large measure to your collaborative work.

I also extend my thanks to every member of the administrative and non-teaching staff for their contribution to the smooth functioning of the institution. My token of love goes to the students who have always stood with us in our endeavour to keep the prestige of the college.

As a single seed makes a forest, the accomplishments achieved by various departments are made in the same way. I would like to express my gratitude to all those who with their support, guidance and commitment have made these achievements possible.

Thank you one and all.
