**Internal Quality Assurance Cell (IQAC) Report Summary**

**2023--2024**

The K.S. Rangasamy College of Arts and Science (Autonomous) created the Internal Quality Assurance Cell (IQAC) in 2011 as a quality improvement and maintenance measure mandated by the NAAC. Since the beginning, IQAC has played a crucial role in creating a framework for the deliberate, steady, and catalytic enhancement of the college's overall performance. The IQAC is dedicated to ensuring that quality improvement programs in higher education are internalized and institutionalized. It supports the organization's planning and oversight. Additionally, IQAC provides a cross-sectional opportunity for stakeholders, such as students, teachers, parents, alumni, funding agencies, and the community, to participate in the institution's quality development initiatives. There were several new initiatives to improve the quality of the academic environment during the 2023–2024 academic year.

**QUALITY INITIATIVES OF IQAC**

- **Student Induction Programme**
- **Faculty Induction Programme**
- **Faculty Orientation Programme**
- **Curriculum Revision**
- **Science Day Celebration**
- **Online Access**
- **Research Development**
- **Webinar**
- **NewsLetter**
- **Feedback Analysis**
- **Awareness Programmes**
- **AQAR Submission**
- **NIRF**

- AISHE
- IQAC Meetings

#### **Student Induction Programme:**

Beginning in mid-June 2023, the Students Service Committee organized the Student Induction Program, which included students' orientation, parent and teacher meetings, parent-warden meetings, college official meetings, campus tours, department visits, CBCS course orientation, and course registration.

#### **Faculty Induction Programme:**

A Faculty Induction Program was arranged by IQAC for the newly employed faculty members of the college. The program's main objective was to train teachers in the processes of teaching, learning, assessment, and research. Members of the faculty attended the program.

#### **Curriculum Revision:**

Curriculum Development & Research urged faculty and students to participate actively in curriculum revision and the update of the Choice Based Credit System (CBCS) for different courses. The Academic Council accepted the updated courses.

#### **Science Day Celebration:**

On February 27<sup>th</sup>, 2024, the Science departments held interdepartmental student competitions in honor of National Science Day.

#### **Online access:**

The Policies & Administration played a major role in enabling the adoption of online student attendance and academic progress access for parents, teachers, and students.

#### **Research Development:**

The research development was promoting the department's research publications and research activity. Many scholars actively conducted research and published in journals that were listed by Web of Science, Scopus, and UGC.

#### **Webinars/Seminars/Conference/Workshop/FDP:**

During this academic year, all departments are organized Webinars, Seminars, Conferences, FDP and Workshops.

### **Newsletter:**

The IQAC NEWSLETTER, which was originally published in June and December of each year, is a biannual periodical that showcases the college's activities. The milestone and important achievements of the college are reflected in the IQAC. All current learners and recent graduates get the newsletter, which acts as a source of information for all parties involved and advances academic advancement.

### **Feedback Analysis:**

The academic year's strategic planning for improving academic programs and infrastructure was completed by the Dean for Curriculum Development and Research policies, and Administration. We gathered and evaluated feedback from students about academic and infrastructure facilities.

### **Awareness Programmes:**

Through workshops, seminars, and rallies, the National Service Program and the Service Learning project draw attention to health concerns among the general public and students. In order to teach students about their institutional social duty, donations of blood were organized.

### **Annual Quality Assurance Report (AQAR) Submission:**

AQAR was submitted to NAAC, Bangalore, for the 2022–2023 year.

### **NIRF:**

IQAC submitted the report for the NIRF process of MHRD under the College Category

### **All India Survey of Higher Education (AISHE):**

The college report was submitted to AISHE through IQAC.

### **IQAC Meetings:**

The IQAC had regular meetings with the members of IQAC meetings with its internal members.
